Accommodation Options

There are several hotels in Tampere City center and any of those would do, yet if You want us to recommend some, maybe Hotel Courtyard Marriot (<https://www.marriott.com/en-us/hotels/tmpcy-courtyard-tampere-city/overview/>) or Sokos Hotel Torni (<https://www.sokoshotels.fi/en/tampere/solo-sokos-hotel-torni-tampere>) as they are located in City center area with easy access from TAMK and to Smart City Expo-arena. (Tampere is a nice size of city and distances are not big anyhow, so other city-area hotel selections will work as well.).
